Dear Commissioners and Judge Nodes,

11-13-12  
Date

The undersigned wish to make a statement regarding the petition currently before the Commission of the Boulders Homeowners Association seeking the de-commissioning and closure of the Boulders East Plant, a sewage processing plant located in the midst of the Boulders Community in Carefree and North Scottsdale and operated by Black Mountain Sewer/Liberty Water. This statement follows:

*For the many years that we have lived in the Boulders Community (1994), it has been a constant disappointment, embarrassment and that something positive has not taken place regarding the smell and look of the sewage plant. Hopefully changes will take effect!*

Thank you  
*Pat + Dick Tallow*
